N.—Rv & Irrn. Capl. not charged to Revenue.

* When a loan under the East India Loans Acts is issued at a premium, the nominal amount is entered in this column and the premium is credited to revenue. When a loan is issued for cash at a discount, the discount is made good from revenue either by being charged against revenue in the year of issue or by the provision from revenue of a sinking fund estimated to be sufficient to accumulate the amount of the discount by the date at which the loan can be redeemed: in the former case the nominal amount of the loan is entered in this column, in the latter case the cash proceeds. The issue in 1905-06 of £10,089,146 stock direct to stockholders of the Bombay, Baroda and Central India Railway Company, in substitution for part of the cash payable on the purchase of the undertaking, was an exceptional transaction: no charge was made to revenue on account of the difference between the nominal amount of the stock and the amount of cash of which it was accepted as the equivalent; and the nominal amount of the stock was entered in this column.

(*a*) Includes £9,687 previously charged to Revenue brought on to Capital account of 1905-06 without financial adjustment.
(*b*) Ditto £14,517 ditto ditto 1906-07 ditto.
(*c*) Ditto £7,443 ditto ditto 1907-08 ditto
(*d*) Ditto £30,269 ditto ditto 1908-09 ditto

and £198,155 expended from Local Funds on the Mayaveram Mutupet Railway has been dropped out of this account without financial adjustment.
